A Form B with the franchise fee application will be mailed annually to all Motor Carriers operating with INTERSTATE REGISTRATIONS. Interstate Carriers are required to have an Identification stamp in the cab of each vehicle. These stamps must be affixed to a “Uniform Identification Cab Card”, sometimes referred to as a “bingo card”. These cards are available from the National Association of Regulatory Utility Commissioners, P. O. Box 684, Washington, D.C. 20044, at a cost of 30¢ per card.

The cost of the Identification stamp is \$10.00, regardless of the quantity needed. There is no additional cost for the supplemental orders of stamps.

Any carrier whose operating authority has been revoked due to non-compliance with fee requirements may file a ‘Petition to Vacate and Set Aside’ to reopen or reconsider any revocation order of the Commission. Such petition must be filed within 30 days of the revocation and must be accompanied by a filing fee of \$50.00 for the first revocation; \$100.00 for the second revocation and \$150.00 for the third or subsequent revocations.

Reciprocity or pro-rate information may be obtained from the Office of the Secretary of State, Reciprocity Division, Centennial Building, Edwards at Second, Springfield, Illinois 62706.
